le Bistro™ Super Premium Hams -- are made with a classic Bistro Ham recipe. **le Bistro™ ESTATE Hams** are high in protein content... lower fat, sodium and sugar content and they are prized for their light and meaty ham flavor.

These premium hams are slow oven-roasted in their own natural juices, with an original recipe of spices to blend perfectly with the ham to impart that distinctive taste and aroma.

The outstanding quality and character of the **le Bistro™ ESTATE** hams are the result of the exceptional attention to details -- from selecting the highest quality pork to the precise and consistent slow cooking.
