Quality Guarantees

GMO	La Perruche Amber Rough-cut Cubes does not come from genetically modified organisms and consequently, by virtue of the current European regulations (Regulations 1829 / 2003 / CE and 1830 / 2003 / CE), no GMO labeling is necessary.
DATE OF MINIMUM DURABILITY	La Perruche Amber Rough-cut Cubes is exempted from the indication of date of minimum durability, according to the European regulation 1169/2011, annex X.
ALLERGENS	Regulation of the European Union R1169 / 2011 concerning consumer information on foodstuffs (INCO) specifies in its Annex II a list of substances or products causing allergies or intolerances. The ingredients or substances listed there have to be mentioned and labeled according to the terms of Article 21 of that Regulation. Considering this information, we declare that the “La Perruche amber rough-cut cubes” does not contain allergenic ingredients for which labelling is necessary.
IONIZING RADIATION	No ionizing radiation treatment intervenes during the manufacturing process of La Perruche Amber Rough-cut Cubes (Decree n° 2001-1097).
BSE/TSE	No product of animal origin is used or may be used in La Perruche Amber Rough-cut Cubes which we manufacture.
TRACEABILITY	Our traceability management respects GS1 standards. We put on each sent pallet (homogeneous or not) at least a standard label EAN 128 bearing a Serial Shipping Container Code which makes the link with our production, storage and shipping operations.
