PACK SIZES

80g

PACKAGING SPECIFICATION

Fresh As Sweetcorn Kernels are packed in foil bags and sealed hermetically.

STORAGE

Storage in cool dry conditions is recommended. Once opened, re-seal and store in a low humidity environment, refrigeration is ideal, and consume within one month.

SHELF LIFE

36 months from date of packing if stored correctly.

ALLERGEN INFORMATION

Fresh As ingredients are produced on machinery that has come into contact with milk, soybean, sulphites, wheat and barley products, which are known allergens. We have strict clean down procedures, but cross-contamination is possible.
